DETAILED ACTION

Examiner's Amendment.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Cancel claims 16-46.

Reason for allowance

The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed Micro-machined coupled capacitor devices having a membrane positioned with two or more electrodes, wherein an input electrode receives an electrical signal that causes vibration of the membrane and the vibration is coupled to at least one output electrode, whereby coupling between the input electrode and at least one output electrode is provided and wherein a voltage is applied to the electromechanical device to vary the coupling.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
